## MULTIMODAL TRANSPORT

## MULTIMODAL TRANSPORT

## MULTIMODAL TRANSPORT

With our multimodal transportation service, we combine different transportation modes in the most efficient way and transfer your shipments from one transportation unit to another safely. We make your handling and transportation operations more flexible, hassle-free and effective in terms of time, and we optimize your logistics processes by providing strategic cost advantages for your long-distance shipments.

## WHY U.S?

Our team of experts is always ready to assist you to take full advantage of multimodal freight transport.

- Your logistics needs are best analyzed.
- The most efficient transport mode configurations are created.
- The most accurate route that will save time is determined.
- The transfer and handling operations of your products are completed safely.
- Cost advantage is provided.
